

Future of Education Inspection

The Common Inspection Framework

**Sean Harford,
FOEI director**

Principles of inspection reform

- Inspect the **right things in the right way** through a standardised inspection framework
- Provide **comparable** and **accurate information** for parents, carers, learners and employers to inform their choices
- Deliver **timely** inspections where there are signs of decline or improvement
- Have a **proportionate** approach to inspections
- Ensure rigorous **quality** of all inspections.

Understanding the changes

Changes to our inspection workforce

Talking head – experiencing the CIF in an FE college

**Marion Plant OBE, Principal and Chief Executive
North Warwickshire and Hinckley College**

A new Common Inspection Framework

Inspectors will make **four key judgements:**

- Effectiveness of leadership and management
- Quality of teaching, learning and assessment
- Personal development, behaviour and welfare
- Outcomes for children and learners

And will state clearly whether **safeguarding** is effective.

A new Common Inspection Framework

The CIF will provide **greater clarity, coherence and comparability** for learners, parents and employers.

Judgements will be comparable across all Ofsted reports for:

- **early years** provision
- **16 to 19 study programmes**

In FE and skills inspection, inspectors will report on types of provision – including **apprenticeships, adult learning** and **learners with high needs**

Talking head – a Childminder's experience of the CIF

Sarah Leonce, Childminder

Future of Education Inspection

Short Inspections

Short Inspections

Short inspections for good schools, academies and FE and skills providers – approximately every three years, for **one day** (schools) or **up to two days** (FE&S).

Two judgements only:

- Is the school/provider **still good**?
- Is **safeguarding** effective?

Greater professional dialogue during the inspection;
more regular reporting to parents, learners and employers.

Short Inspections

Is the school/provider continuing to be good?
Is safeguarding effective?

Yes

School/provider remains
good

The school/provider's
performance is being
sustained.

It continues to provide a
good quality of education
for pupils/learners.

Any weaknesses are known
by leaders and governors,
and are being tackled –
proven capacity.

Returns to cycle of
inspection

Yes

School/provider
may be outstanding

Is it likely that the
school/provider might
be judged outstanding
in a full inspection?

Lead stays on; Ofsted
region quickly deploys
further inspectors

Insufficient evidence
or concerns about
effectiveness/
safeguarding

HMI informs
school/provider that
insufficient evidence has
been gathered *or*
concerns exist.
Explains that a full
inspection will follow
shortly.

Lead stays on; Ofsted
region quickly deploys
further inspectors

Changing the inspection workforce

From September, Ofsted will contract directly with new Ofsted Inspectors for schools and FE and skills.

- seven in ten Ofsted Inspectors will be **current practitioners** who lead **good or outstanding** institutions
- improved **quality** and **consistency** of inspection

Ofsted Inspectors and Her Majesty's Inspectors will **work together in Ofsted's regions, train together** and **inspect together**.
