

Fellowship of Inspection Nominees

Promoting a positive approach to achieve the best outcomes from inspection

The Fellowship of Inspection Nominees (fin)

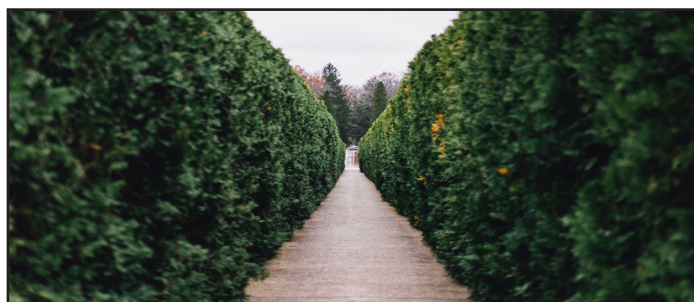

Meeting the support needs of the nominees all year round to grow a culture of quality management and delivery.

A new and unique organisation that provides invaluable assistance and guidance to the nominee to help achieve a successful inspection outcome.

Providing a wide range of resources specifically designed to help nominees in their planning to ensure their organisation is fully inspection ready.

Members have access to detailed analysis of published inspection reports, grades awarded, inspection themes and trends to develop a detailed understanding of current inspection findings and focus.

Your support team at fin are experienced nominees, former inspectors and specialists to help you achieve your inspection potential.

Benefits to membership include

There are a range of benefits available for members:

- Being part of an organisation dedicated to the role of nominee.
- Access to a comprehensive range of resources to help with your inspection planning and preparation effectiveness.
- Access to inspection readiness activities and support to build a positive culture.
- Self-assessment checklists and tools to enable nominees to evaluate provision accurately.
- Access to a knowledge base and opportunities to ask questions to build confidence as a nominee.
- Guidance on effective working as part of the inspection team and how best to represent the interests of your organisation.

Additional benefits for Gold members:

Added benefits of networking with other nominees, to share ideas, and strategies for success and best practice.

Mentoring and coaching from former inspectors and other experienced nominees.

Gold Membership

This is designed for nominees who want to be fully involved in all fin activities, access to all resources, participate in networking opportunities and share best practice. Access to a confidential helpline, remote support and coaching.

Silver Membership

This is designed for experienced nominees who want to access resources and be kept up to date with inspection trends and statutory requirements.

Contact

membership@fin-online.org.uk
for more information or to discuss your individual needs.

Resources available include

Detailed current inspection outcomes analysis.

Extensive range of resources to strengthen safeguarding arrangements, PREVENT and raise awareness of British Values.

Guidance notes on policies and procedures for key management and delivery arrangements.

Points to consider that may be raised at inspection – with learners, colleagues and/or employers to help with inspection preparation.

Accessible training materials to raise awareness of inspection related issues and provide solutions.

Up to date information and statutory requirements.

Self-Assessment Checklist

20 point self-assessment check list to consider your own provision for General Nominee Preparation.

Standards		1	2	3	4	Comment (Action needed)	fin resource available on request	Silver Member	Gold Fellow
The list below is a set of standards you as nominee must ensure are in place with robust evidence for each: Place an "x" in the relevant column to help generate a score.		1. Good practice and I have robust evidence in place ready to present at inspection 2. Potential good practice and I can find the evidence when needed. 3. Some satisfactory practice but I do not know where I would find the evidence. 4. Not sure about the quality, weak practice or where to find the evidence – significant concerns.							
1	As the nominee you have readily available information on all sources of funding, various contracts, duration and learner volumes across all programmes, including apprentices on standards						Prompt check list to evaluate against	Yes	Yes
2	Readily available at a days notice, copies of accurate and up-to-date timetables, personally checked to ensure accuracy						Guidance notes on how to prepare and deal with inaccuracies		Yes
3	Robust subcontracting arrangements in place, details of subcontractors, volumes of learners and monitoring arrangements readily available.						Essential check list	Yes	Yes
